**Happier and Healthier**

***Junifer Pharmaceuticals***

AN ISO 9001:2008 CERTIFIED CO.

# About Us

Follow Us More

Junifer Pharmaceuticals is a Delhi based Pharmaceutical Company, Established in Jan 2012 by Mr. Kulpreet Singh Kakker with the vision of Making world class affordable medicines.

Junifer Pharmaceuticals is an integrated pharma company engaged in Franchise Marketing, PCD Marketing & Ethical Marketing of Pharmaceuticals Products.

## “Making Life more Happier & Healthier”

Making Life More Happier & Healthier, and finding sustainable solutions to the most pressing health care challenges of our world. That’s why we at **Junifer Pharmaceuticals** are committed to applying science and our global resources to improve health and well-being at every stage of life. We strive to provide access to safe, effective and affordable medicines and related health care services to the people who need them. We have a leading portfolio of products and medicines that support wellness and prevention, as well as treatment and cures for diseases across a broad range and we have an industry-leading pipeline of promising new products that have the potential to challenge some of the most feared diseases of our time, like Alzheimer’s disease and cancer.

### Values & Version

Our values are fundamental to our business and inspire all of us for growth and transformation. Our values and standards form the basis of our success.

### Our Vision

To grow top line by 25% year on year through active participation of our creative people and support of our customers.

*Making Life More Happier And Healthier*
